### THE PROCEDURE FOR FITTING THE SPORTS BANDS IS SIMPLE AND STRAIGHTFORWARD:

- Step 1:** Put the Roman harness on the dog, D ring lying flat.
- Step 2:** Place the padded cuffs (with Velcro fasteners) around the metatarsus on each hind limb, just below the hock.
- Step 3:** Clip the Biko PR Bands (the end without extenders) to the D ring of the harness.
- Step 4:** Clip the end with the extenders to the foot cuffs.

We can easily accommodate special orders placed for dogs under 40 centimeters (15.75 inches) or over 90 centimeters (36 inches).
